Notes

* Individual tours are not done for prospective UPT candidates during the period of time we are accepting applications

* We use a whole person concept. Let your accomplishments speak for themselves

* Flying experience and aero-ratings are highly desirable but they are not required

* Candidates selected to meet the Interview Board will be officially invited to interview with the unit. It is your responsibility to provide a current phone number and email address to contact you

* Typically we hire one primary candidate and one alternate

* Age Cut Offs:

-Prior Service Aviators: It will depend on type of airframe experience

-Non-prior Service: We prefer age 28 or less prior to the interview date (you must be in UPT by your 30th birthday and the slot is for the following year)

* Military Experience: We actively seek experienced candidates with a history of outstanding accomplishments and achievements. If you are a current F-16 pilot, please contact Capt. Gina Keppeler (contact information provided below)

* Fulltime Employment

-This Board is for part-time/traditional Air National Guard positions. If selected, you will be on active duty for training for 3-4 years but ultimately you will revert back to traditional/part-time status when training is completed.

* UFT Packages: Concise, well organized, with a professional appearance are required. There is a great deal of competition for these slots and your application package is your first impression to us. Make it count!!
