United States Air Force Academy (USAFA): Logistics Management minor

New 21R Officers with a baseline of logistics/maintenance/data-type degrees will execute the day-to-day logistics enterprise operations more effectively and efficiently. Graduates who complete the new USAFA Logistics Management minor will be prepared to lead in the Combined/Joint Logistics Enterprise (C/JLE) and will be better prepared to support each major command as an enabler through combat support requirements and through ever-evolving force projection concepts.
