Notes

* Individual tours are not done for prospective UFT candidates during the period of time we are accepting applications

* We use the whole person concept. Let your accomplishments speak for themselves.

* Flying experience and aero-ratings are highly desirable but they are not required.

* Candidates selected to meet the Interview Board will be officially invited to interview with the unit. It is your responsibility to provide a current phone number and email address to contact you.

* Typically we hire one primary candidate and one alternate.

* Age Cut Offs:

-Prior Service Aviators: It will depend on type of airframe experience

-Non-prior Service: We prefer age 28 or less prior to the interview date (you must be in UFT by your 33rd birthday and the available training slot is generally for the following calendar year)

* Fulltime Employment

-This Board is for part-time/traditional Air National Guard positions. If selected, you will be on active duty for training for 3-4 years but ultimately you will revert back to traditional/part-time status when training is completed.

* UFT Packages: Concise, well organized, with a professional appearance are required. There is a great deal of competition for these slots and your application package is your first impression to us. Make it count!!
